

PLAN YOUR VISIT - 2021 UPDATE

In line with government guidelines regarding the reopening of hospitality, please take a look at the changes we're making to how you experience the Harbour Arm and interact with our amazing traders.

We're learning from the past year of changing guidance to bring you the most seamless, enjoyable and safe alfresco dining experience we can.

We'll be using Yoello as a new option for you when ordering. This is an app-free, website based solution and with free wifi site-wide, it couldn't be easier to use. Wave goodbye to queuing and have your food and drink brought directly to you.

FROM 29TH MARCH
