FESTIVE MARKET PLACE IS BACK THIS TIME, BIGGER AND BETTER THAN EVER...

We are creating a very special Festive Market Place this year, providing for the first time ever, bespoke built huts for trading at Folkestone Harbour Arm. We want to create an exciting new Christmas destination for Folkestone and Kent and are planning a new festive lighting scheme and a programme of Christmas events including festive bands, choirs and films. Our food and drink vendors at The Goods Yard will also be offering the very best of their menus with a nice seasonal twist!

This is a call out to all of our Market Place traders and other independent traders who would like to join us for the festive season. We are largely a product-led market and like to work with a range of makers that create and sell products not seen on the High Street. This includes, fashion, interior products, handmade jewellery, ceramics, crafts and keep sakes, beauty products and illustrative or digitally produced items.

The form will ask you to tell us a bit about yourself and your products and provide photos of your products and stall set up.

This is a rolling application with no official deadline, however only a limited number of huts are available. Due to the expected high demand for this market, we suggest that the earlier you apply, the more likely you are to be successful.
